

AMAN KAUR JP

YOUR LOCAL VOICE FOR WALKERVILLE

CANDIDATE FOR COUNCILLOR OF THE TOWN OF WALKERVILLE

Dear Local Residents

I write to introduce myself as your local Candidate for Councillor of the Town of Walkerville. You will soon receive ballot papers in your letter box between 14 October and 20 October. This will be your opportunity to elect representatives who will listen to you and bring new energy to the Council Chamber and implement decisions to make our community better.

I live locally in Vale Park with my husband and our daughter and son. As a local family we like to enjoy the many beautiful parks and facilities in our community. But there is more that Council can do to improve our area, protect trees and the character of our area from developers.

We are fortunate to live in a community that is close to the city and it's important that we maintain the character of Walkerville as it was first built. The existing character of our Township is under threat by developers looking for opportunities to subdivide and a planning system that does not adequately protect our suburb from sub-division, our beautiful trees, and homes from development.

I am also concerned how long Council is taking to complete the development of a new sports and community hub at Walkerville Oval. We need this much needed development to ensure we have facilities that cater for different age groups and changing demographics. If elected, I will push for the upgrade of the sports club on Warwick Street and the bowling club on Smith Street and deliver a community hub that will service our seniors and young people.

Our Townships character needs to be protected and our ageing community facilities need be upgraded. We have an opportunity to have proud residents of the Township of Walkerville elected to Council who will bring enthusiasm, commitment, and an understanding of what is important to you.

Please do not hesitate to contact me if you would like to discuss any local issues or my candidacy. I will always be accessible to you, not just at election time.

Yours sincerely,

Aman Kaur

**CANDIDATE FOR COUNCILLOR OF THE
TOWN OF WALKERVILLE**

Please see over page for more information.
Your vote really does make a difference.

Maintaining and repairing basic infrastructure like potholes and footpaths, is a basic service we expect Council to do. I will make this a priority.

Had a lovely meeting with our local business owners from Nest Bistro Coffee and Farmers Garden Fruit & Veg regarding how their business is going after the difficult time of COVID and had a great time to meet our local people and discussing their issues. Let's support our local small businesses and community..
LIVE LOVE LOCAL

Small businesses are the backbone of our local community... We can all agree that we need to be helping small businesses. let's support our community.

The Walkerville Oval is a large sporting complex on the corner of Smith St and Church St, Walkerville. The oval has a grandstand with bar facilities that overlooks cricket played in summer and football in winter. The bowling club, play equip for children, bbq and toilets are available. The Council is about to undertake an oval upgrade. I will love to hear from local residents should council spend money on Walkerville Oval redevelopment...
