

John Montague

Candidate for the town of
Walkerville Council Election
2022

Representing residents and the community

I have been a resident of Medindie for the past eight years with my wife and children.

As a first time candidate for council I want to:

- advocate for the views and interests of local residents and all the stakeholders in our community;
- engage with the community on the development of the place we live in and the environment we share; and
- ensure the accountability of the Council to its ratepayers.

My Background

I am a consultant specialising in the compliance and governance of superannuation funds and have over 25 years experience as senior executive in the public and private sectors. I have served on boards, committees and industry associations with a focus on audit, treasury and advisory functions.

Please contact me to share your views and suggestions for the council and our community.
